Moms bless us 365 days a year. Why not go out of your way to make your mom feel special this Mother's Day. Here are some unique, inexpensive and easy ways to reflect God's love to your mother this season.

Goody Basket

Make mom a goody basket. Fill the basket with small items you know your mother will love.

De-stress-her

Treat mom to a massage at a classy spa or a nice relaxing night at a hotel in town.

Use Snail Mail for Once

With the advent of e-mail, Facebook, Twitter, IM and Skype, it's becoming less likely to receive a personal letter in your mailbox. Send mom a nice note expressing how much you love and appreciate her.

Nostalgia

Grab old family photos of mom and make her an album or a scrapbook.

Give Life

Start a flower garden or vegetable garden for mom. Make sure you know whether mom would want the responsibility of maintaining it.
